v.

DISEPOLO, et al.
Defendants

June 30, 2016

F. DelGiudice for the moving party defendants (other than the defendant J. Disepolo)

No one appearing for the remaining defendant or the plaintiffs, although properly served.

This action arises from an MVA in 2005. This action has moved forward through discovery. There is an ample evidentiary record before me based upon which I am satisfied

that: ① I can fairly + justly decide this in a Rule 20 Motion; and

② that the relief requested by the moving parties should be granted.
